Source quality warning: several search results carried inconsistent dates or conflicting figures. Conflicts are flagged. Items marked n/a could not be sourced.

2. IMPORTANT NEWS

Chip stocks sell off on Chinese memory threat. Sources: Anadolu, Investing.com, Invezz. Reports of progress at China's CXMT hit ASML, Infineon, STMicro and Korean memory names. Tech drives the tone into the open.

Fed's Williams sees one more hike this year. Source: Bloomberg. Treasuries rallied on the day. Keeps rate-hike risk live into today's CPI.

US September CPI due 13:30 London. Sources: CNBC, Schwab, Kiplinger. Consensus 3.7% y/y vs 3.4% prior, energy-led. A hot core print revives an October hike.

Brent holds above $105 on Iran conflict. Sources: Investing.com, Trading Economics. Energy inflation feeds CPI and central bank hawkishness.

BoE hike bets build, gilts near multi-decade highs. Source: Trading Economics. About 80% priced for a November hike. 10Y gilt about 5.44%.

Nasdaq 100 futures	n/a	**+0.29%**

European futures not sourced. US futures % from CNBC live blog on 13 Oct (late US session / early Asia), time approximate. Context: US futures modestly higher ahead of CPI, Europe cash closed slightly lower yesterday.

4. YESTERDAY'S CLOSES (TUE 13 OCT)

Index	Close	Change
Euro Stoxx 50	6,167.01	**-0.55%**
DAX	25,259.90	**-0.07%**
CAC 40	7,827.63	**-0.07%**
FTSE 100	10,650.33	**-0.06%**
STOXX 600 (context)	635.01	**-0.10%**

Source: Anadolu via search, cross-checked with Investing.com (all about 0.1% lower) and Trading Economics (Euro Stoxx 50 6,175, -0.43%). FTSE 100 also quoted at 10,650.34 (-5.94 pts). Collected about 06:15.

5. US MARKETS: YESTERDAY'S SESSION

Index	Close	Change
S&P 500	7,805.45	-0.02%
Dow Jones	51,670.10	-0.35%
Nasdaq Composite	27,204.38	-0.15%

Tone. Flat. Mixed big-bank earnings and a chip selloff offset each other. S&P 500 sits just below last week's record.

Leaders and laggards. Chips lagged. Goldman Sachs and other banks swung between gains and losses after results. Sector breakdown n/a.

Takeaway. Fed's Williams backing one more hike lifted Treasuries but did not move equities. CPI is the next test.

Sources: AP, CNBC, Bloomberg. One outlet (24/7 Wall St) shows slightly different levels (S&P 7,804.6). Closing data, collected about 06:15.

6. ASIAN MARKETS: OVERNIGHT SESSION

Index	Level (mid-session)	Change
Nikkei 225	68,306 to 68,368	+0.8% to +0.9%
